Сводка

As a Product Specialist at Novartis, you'll build strong relationships with healthcare professionals and deliver solutions that make a real difference for patients. By personalizing your approach, using data, and working closely with your team, you'll help us achieve our mission—making every interaction and outcome matter.

About the Role

Job Title: Product Specialist

#LI-Remote

Location: Hyderabad

Key Responsibilities

- Drive sales of priority oncology molecules across premium pharma accounts and hospital networks
- Build strong relationships with key decision-makers and KOLs to support product adoption
- Manage state government business including tenders, empanelment, and institutional access
- Ensure product availability in hospitals and support stock liquidation and repurchase cycles
- Generate demand through targeted engagement with doctors and medical service teams
- Handle both trade and government channels to maximize reach and impact
- Collaborate with hospitals for medical service empanelment and account activation
- Use data insights to plan territory actions and optimize sales performance

Role Requirements:

- Minimum 5 years of sales experience in healthcare, pharma, or related industries
- Strong knowledge of the assigned territory and customer landscape
- Bachelor's degree in science or pharmacy (B.Sc or B.Pharm)
- Excellent communication and relationship-building skills
- Proven ability to collaborate across teams and deliver customer value
- Experience in medical oncology/blood cancer/hematology therapy area is a must.

Desirable Requirements

Experience in oncology sales or working with oncology-focused healthcare professionals

Familiarity with Novartis' oncology therapeutic portfolio and patient-centric engagement strategies
