## Сводка

The Commercial Partnership Manager, is responsible for developing and executing partnership strategies that maximize market value and long-term business impact. The role supports an expanding portfolio of strategic alliances, managing the full contract lifecycle while contributing to financial modeling, audits, and strategic decision-making.

This position partners closely with regional and local stakeholders to identify, evaluate, negotiate, and implement new business opportunities that align with Novartis' in-market strategy.

## About the Role

**Location:** Chile  
**Hybrid working model**

## Key responsibilities

- Defining the partnership roadmap in alignment with corporate BD&L strategy and local business priorities.
- Supporting market and portfolio assessments to identify partnership opportunities based on brand potential, market dynamics, and unmet needs.
- Developing and validating financial business cases, including valuation, risk assessment, and scenario analysis.
- Managing the full contract lifecycle, including drafting, validation, approval, execution, and ongoing monitoring.
- Coordinating contract financial follow-up, audits, compliance activities, and financial commitments.
- Leading due diligence processes in collaboration with internal stakeholders (Legal, Compliance, Finance, Quality, Supply Chain).
- Preparing negotiation packages and supporting negotiations with external partners.
- Acting as a key liaison between internal stakeholders and external partners to ensure alignment and governance.
- Scouting, evaluating, and recommending new partnership opportunities and go-to-market models.
- Ensuring contract documentation, internal approvals, and governance processes are completed according to Novartis standards.

## Essential requirements

- Solid experience in Business Development, Licensing, Strategic Alliances, or related corporate strategy roles.
- Strong financial modeling, analytical, and Excel skills, with the ability to translate data into clear business recommendations.
- Proven experience managing complex contracts across their full lifecycle, including audits and compliance.
- Strategic mindset with the ability to evaluate partnerships, externalization models, and long-term value creation.
- Strong stakeholder management and communication skills, with the ability to work across functions and regions.
- English proficiency at intermediate to advanced level (written and verbal).
- High level of autonomy, ownership, and ability to manage multiple contracts and priorities simultaneously.

## Nice-to-have

- Experience in healthcare, life sciences, or other highly regulated industries.
- Exposure to regional or global business development environments.
- Experience supporting alliance governance or post-deal management.
