Сводка

-Develops and implements strategic and operational TAs Global Medical Affairs programs, with a focus on innovative evidence and/or launch readiness and/or post-market solutions, including medical affairs planning and execution of the medical/scientific engagement strategy addressing and delivering strategic pre-launch and launch medical activities needs for patient, clinical, access and value to health care systems
-Provides expertise in the development and execution of the overarching strategies, providing inputs during design and along the end-to-end execution of programs
-Develops and executes the Integrated Evidence Plan (IEP)/functional specific programs to maximize the value proposition for the prioritized launch portfolio and impact of our medicines.

About the Role

Key Responsibilities:

- Demonstrate solid competencies as a Medical Leader within the US Medical Affairs organization; preferably with launch experience in the CV space
- Build positive, effective partnerships with Medical and Commercial as well as US and Global colleagues.
- Key member of the cross-functional Medical Strategy Team (MST), which drives Medical tactical development and excellence in execution.
- Drive a robust data generation program to support current indication, as well as pelacarsen's lifecycle.
 - Co-develop strategically aligned study programs with Health Economics & Outcomes Research (HE&OR) colleagues
 - Lead Investigator-Initiated Trial (IIT) program
 - Lead US based Phase 3b/4 studies
 - Collaborate with global team on lifecycle management studies on strategy for USA
- Foster strong relationships with not only National, but also key Regional and Local Medical Experts, including Investigators. Support Medical Expert Engagement Strategy.
- Drive advisory boards and work closely with Field Medical on insight-gathering initiatives.

Essential Requirements:

Education (minimal/desirable):

- Bachelors or equivalent 4-Year University Degree required.
- Doctorate level degree (MD, PharmD, DO, or PhD in Health Sciences or related field) or Nurse Practitioner (NP)/ Physician's Assistant (PA) degree with significant relevant clinical experience required.

Work Experience:

- Strong Medical Affairs background.
- Launch experience in CV.
- Strategy Development.
- Cross-functional collaboration.

The pay range for this position at commencement of employment is between \$204,000.00 - \$379,600.00 a year. The final salary offered is determined based on factors like, but not limited to, relevant skills and experience, and upon joining Novartis will be reviewed periodically. Novartis may change the published salary range based on company and market factors.

The final salary offered is determined based on factors like, but not limited to, relevant skills and experience, and upon joining Novartis will be reviewed periodically. Novartis may change the published salary range based on company and market factors.

Your compensation will include a performance-based cash incentive and, depending on the level of the role, eligibility to be considered for annual equity awards.

US-based eligible employees will receive a comprehensive benefits package that includes health, life and disability benefits, a 401(k) with company contribution and match, and a variety of other benefits. In addition, employees are eligible for a generous time off package including vacation, personal days, holidays and other leaves.
