Internal job title: P&O Lead Manufacturing

Location: Puurs, Belgium

In this role, you will be at the heart of our manufacturing site partnering with site leadership to shape people strategy in one of the organization's largest and most advanced manufacturing sites. As HR Lead Manufacturing, you drive the strategic and tactical people agenda aligned with manufacturing business priorities and projects, while partnering closely with unions and works councils to lead change and build trust and credibility across the plant. This is a highly autonomous, senior role where you will influence decisions, coach leaders, and deliver solutions in a dynamic, fast-evolving environment.

About the Role

Key Responsibilities

- Lead the People & Organization (P&O) agenda, driving both strategic and tactical agenda aligned with manufacturing business priorities and projects.
- Manage employee relations at the site, building strong, trust-based relationships with unions and works councils.
- Act as a strategic P&O Lead to the Site Head and leadership team, providing guidance on business complexity, team dynamics, and workforce decisions.
- Drive and lead large-scale transformation and change initiatives within a modern, evolving manufacturing environment.
- Shape and implement people strategies to support site performance, ensuring alignment with business goals and ongoing transformation.
- Coach and support People Partner colleagues and collaborate closely with Country and Global P&O leaders to ensure consistency and strategic alignment.
- Build credibility across the organization by understanding manufacturing operations and actively engaging with site realities.
- Lead key HR projects and initiatives, leveraging innovation and tools (including AI) to drive HR excellence.
- Act as a proactive problem solver, bringing solutions and making informed decisions in a fast-paced, non-structured environment.

Essential Requirements

- Proven experience in employee relations within a manufacturing environment, including strong exposure to unions and works councils.
- Demonstrated ability to lead complex change and transformation initiatives in large-scale organizations.
- Strong business acumen with the ability to understand and translate manufacturing operations into people strategies.
- Fluency in Dutch/Flemish and English
- Senior stakeholder management skills, with confidence to engage and influence leadership at all levels.
- Experience coaching leaders and enabling high-performing, resilient teams in complex environments.
- Strong decision-making mindset with a solution-oriented approach; able to balance listening with decisive action.
- High level of independence, ownership, and resilience; comfortable working in an "unbossed" environment with minimal oversight.

Desirable Requirements

- Open-minded, values-driven, and able to thrive in a dynamic environment requiring flexibility beyond a standard 9–5 schedule.
- Excellent communication and presentation skills, particularly in complex and sensitive labor relations topics.

Benefits & Rewards
