Drive meaningful impact by ensuring financial accuracy and transparency at the heart of a global organization. As a Corporate Entity Accountant, you will play a key role in delivering high-quality financial reporting, supporting business decisions, and ensuring compliance across critical accounting processes. This role offers a unique opportunity to collaborate with global stakeholders, enhance financial operations, and contribute to key transformation initiatives, all while building your expertise in a dynamic and purpose-driven environment.

About the Role

Key Responsibilities

- Support financial activities and decision-making in collaboration with business and finance stakeholders
- Maintain accurate and timely general ledger records in line with accounting standards
- Manage fixed asset register, including asset capitalization, depreciation, and assets under construction
- Prepare accurate financial analyses and reports, with focus on profit and loss performance
- Ensure timely and compliant internal and external financial reporting, including statutory and tax requirements
- Provide first-line support for SAP-related finance processes, including general ledger, cash, and fixed assets
- Contribute to financial reporting and accounting projects at country or business unit level

Essential Requirements

- Degree in Finance, Accounting, or a related field
- Solid experience in financial accounting and reporting within a corporate environment
- Strong knowledge of general ledger and fixed assets accounting processes
- Proficiency in SAP (S4) or similar enterprise resource planning systems, experience with Blackline & FCRS
- Excellent analytical skills with strong attention to detail and data accuracy
- Fluent in English with strong written and verbal communication skills
