Relocation Support: This role is based in Warsaw, Poland. Novartis is unable to offer relocation support: please only apply if accessible.

Digital engagement is evolving—and this is your opportunity to help shape how Novartis connects with customers. As a Digital Marketing Execution Manager, you will bring digital plans to life across approved channels, keeping content relevant, visible, accurate, and ready to engage audiences. You will work at the intersection of digital marketing, omnichannel execution, and cross-functional collaboration, partnering with Commercial, Execution Excellence, Medical, Legal, Regulatory, Quality, and regional teams. From optimizing digital content and customer journeys to championing digital transformation and sharing best practices, you will help strengthen customer engagement while ensuring every activation meets the highest standards of compliance and execution excellence.

About the Role

Key Responsibilities

- Deploy and optimize customer engagement plans and journeys, using insights to improve customer experience.
- Maintain relevant, accurate, and visible digital content across approved channels and platforms.
- Coordinate content updates reflecting new information, safety data, and regulatory guidance.
- Champion digital initiatives and strengthen omnichannel capabilities across the Commercial Portfolio.
- Ensure digital activities meet regulatory, safety, Medical, Legal, and Regulatory requirements.
- Partner with Execution Excellence and cross-functional teams to improve digital execution and platform readiness.
- Collaborate across Commercial, regional, Legal, Regulatory, Quality, Finance, and Operations teams to deliver aligned digital priorities.

Essential Requirements

- Bachelor's degree in Marketing, Communications, Digital Media, or a related field.
- Five to eight years of experience in digital marketing, content operations, or omnichannel execution.
- Professional experience in regulated industries, preferably pharmaceuticals or healthcare.
- Hands-on experience managing digital content, platforms, and activation workflows.
- Strong understanding of digital channels, content lifecycle management, and platform readiness.
- Ability to coordinate compliant digital execution across multiple systems and cross-functional teams.

Rewards

At Novartis, we're committed to reimagining medicine together - and rewarding the people who make it happen.

Expected Annual Base Salary Range for role:

- Poland: PLN 174,500 – 324,100

The salary offered is determined based on gender-neutral objectives, such as relevant skills, competencies and experience in accordance with the Novartis pay setting policy and upon joining Novartis will be reviewed periodically.

The rewards of being part of our team go far beyond base pay and incentives. We also offer a variety of competitive benefits in kind to help you thrive personally and professionally, such as insurance plans, retirement plans, wellbeing resources and global recognition programs. In addition, we provide flexible and hybrid working options, where possible, and minimum 14 weeks paid parental leave.

You will be eligible for a company vehicle or a car allowance in accordance with the applicable local Novartis policies and guidelines

Pay equity is a fundamental principle of our employment policy and reflects our commitment to create a diverse, equitable and inclusive environment that treats all employees with dignity and respect, as outlined in our Code of Ethics.
